

**EN** **READ THIS BEFORE INSTALLING THE VOICE RECORDER LINK SOFTWARE**

**Note:** The software should be installed onto your PC before attaching the voice recorder to download files (see user manual -> p.14).

Complete these steps if a "Found New Hardware" message is displayed after the Voice Recorder Link software has been installed and while you are attaching the Voice Recorder to the PC (-> p.14, STEP 2: Attach Voice Recorder to PC).

1. Select "Install the software automatically (recommended)" then click **Next**.

2. If you receive an error message that states the software has not passed Windows™ logo testing, click **Continue Anyway**.

3. Click **Finish** once the installation is complete.
